Do you know that there is a new wastewater pump player in the Qatari market?

Homa Pumps from Germany is a worldwide leader in the design and manufacturing of wastewater pumps for the water, wastewater and industrial markets. Their scope includes sewage, grinder, sump, drainage pumps, pump packages and mixers. Their pumps are available in a variety of materials and voltages to suit almost all applications. You can visit their web site for more information: www.homapumpen.de

We are proud to be the local Qatari distributor of Homa Pumps. EFS offers complete sales and after sales solutions for Homa Pumps as well as other world renowned manufacturers.
